The Summary of Benefits and Coverage (SBC) document will help you choose a health <u>plan</u>. The SBC shows you how you and the <u>plan</u> would share the cost for covered health care services. NOTE: Information about the cost of this <u>plan</u> (called the <u>premium</u>) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage,

https://allstatevoluntary.com/fullyinsured/index.php or call 1-800-323-3049. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms, see the Glossary. | Important Questions   | Answers   | Why This Matters:   |
|---|---|---|
| What is the overall deductible?   | For participating <u>providers</u> \$3,200 individual/\$6,400 family; For non-participating <u>providers</u> \$6,400 individual/\$12,800 family.  | Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .   |
| Are there services covered before you meet your deductible?                 | Yes. <u>Preventive care</u> and primary care services are covered before you meet your <u>deductible</u> .  | This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive</u> <u>services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> .   |
| Are there other deductibles for specific services?                          | No.   | You don't have to meet <u>deductibles</u> for specific services.  |
| What is the <u>out-of-</u><br><u>pocket limit</u> for this<br><u>plan</u> ? | For participating <u>providers</u> \$8,050 individual/ \$16,100 family; for non-participating <u>providers</u> \$24,150 individual/ \$48,300 family.  | The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.   |
| What is not included in the <u>out-of-pocket limit</u> ?                    | Premiums, balance-billing charges, penalty for not obtaining Preauthorization and health care this plan doesn't cover.  | Even though you pay these expenses, they don't count toward the out-of-pocket limit.  |
| Will you pay less if you use a participating provider?                      | Yes. See <a href="https://allstatevoluntary.com/fullyinsured/providerdirectory/">https://allstatevoluntary.com/fullyinsured/providerdirectory/</a> or call 1-800-323-3049 for a list of <a href="participating provider.">participating provider.</a> | This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use a <u>non-participating provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware, your <u>participating provider</u> might use a <u>non-participating provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services. |
| Do you need a <u>referral</u> to see a <u>specialist</u> ?                  | No.   | You can see the specialist you choose without a referral.   |
